2. Alarm

This Condition applies to the following Sections of cover when shown as insured in **Your Schedule**:

- Section 1: Property Damage
- Section 2: Specified All Risks items at **Your Premises**

where **Your Schedule** shows Endorsement Number C0005 – Alarm Condition.

It is a condition precedent to **Our** liability for any claim resulting from theft, attempted theft or malicious damage that where the **Premises** or part of the **Premises** are protected by an **Intruder Alarm Installation**:

 - a confirmed alarm activation, where the **Intruder Alarm Installation** included confirmed alarm activation technology.

3. Alteration in Risk

You or **Your** broker must tell **Us** immediately if during the **Period of Insurance** there is any alteration in risk or to the facts which **You** disclosed when **You** took out this policy, which materially affects the risk of injury, loss, **Damage** or liability which would fall within the policy cover. This includes but is not limited to alterations to the **Business** or the **Premises**.

When **You** tell **Us** about an alteration in risk, **We** may apply additional terms and conditions to this policy (including but not limited to premium) or, if the risk is unacceptable to **Us**, **We** may cancel the policy in accordance with General Condition 5 (b) - Our Rights to Cancel the Policy.

If **You** fail to tell **Us** about an alteration in risk, **We** may:

- (a) terminate the policy back to the date when the alteration occurred, if **We** would have cancelled the policy had **You** told **Us** of the alteration in risk;
- (b) proportionately reduce the amount payable in respect of a claim; and/or
- (c) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** told **Us** of the alteration in risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the alteration in risk occurred.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** told **Us** about the alteration in risk. For example, if the premium which **You** actually paid is 70% of the premium **We** would have charged, **We** will only pay 70% of any claim.

4. Average

If at the time of any loss the total sum insured specified in the **Schedule** is less than 85% of the total value of the **Property Insured** **We** shall bear only that proportion of the loss which the total sum insured bears to the total of the **Property Insured**.

General Conditions

continued

5. Cancellation

(a) Your Rights to the Cancel the Policy

You may cancel this policy at any time from the date it begins or from the date **You** receive this policy document and **Schedule**, whichever is the later, returning the policy document and **Schedule** to **Your** broker. If cover has not yet started **You** will receive a full refund of the premium. If cover has started **We** will refund the premium for the exact number of days left on the policy. No refund will be given if a claim has been submitted or there have been any incidents likely to give rise to a claim during the current **Period of Insurance**.

(b) Our Rights to Cancel the Policy

We or any agent appointed by **Us** and acting with **Our** authority have the right to cancel **Your** policy, where there is a valid reason for doing so.

We will give **You** fourteen day's notice of cancellation in writing, by recorded delivery, to the latest address **We** have for **You** and will set out **Our** reason for cancellation in **Our** letter. Valid reasons may include but are not limited to:

- (iii) not
 - giving **Us** access to **Your Premises** when **We** have asked to carry out a risk survey
 - complying with any risk improvements required by **Us** following a survey within the timescales specified.

If **We** cancel **Your** policy, **We** will refund the premium for the exact number of days left on the policy unless a claim or an incident likely to give rise to a claim has occurred during the current **Period of Insurance**. No refund will be given if a claim has been submitted or there have been any incidents likely to give rise to a claim during the current **Period of Insurance**.

If **You** are paying by monthly instalments:

- (a) all outstanding monies must be paid to **Us** as described in **Your** Loan Agreement
- (b) **We** may exercise **Our** right to collect the balance of any outstanding premium in the event of a claim.

6. Change of Risk or Interest

This policy shall be avoided if:

- (a) **Your** interest ceases other than by death
- (b) the **Business** be wound up or carried on by a liquidator or receiver or permanently discontinued

at any time after the commencement of this insurance unless **We** have accepted the change.

Nothing contained in this policy shall give any right against **Us** to any person other than **You** except to a transferee approved by **Us**.

7. Contracts (Rights of Third Parties) Act 1999

A person or company who was not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

8. Fair Presentation of the Risk

You must make a fair presentation of the risk when **You** first take out this policy and also whenever **You** renew it or ask **Us** to change **Your** cover.

If **You** fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact, or disclosing material facts to **Us** in a way which is not clear and accessible **We** may avoid this policy and refuse all claims where:

- (a) such failure was deliberate or reckless; or
- (b) **We** would not have entered into this policy on any terms had **You** made a fair presentation of the risk.

Should **We** avoid this policy **We**:

- (a) shall treat the policy as if it had not existed from the start date, the renewal date, or the date when **You** asked **Us** to change **Your** cover, depending on when the failure to make a fair presentation of the risk occurred
- (b) shall return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- (c) may deduct from any return of premium due to **You** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **You** to repay such claims.

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **We** would have entered into or renewed this policy, or agreed to make changes to **Your** cover on different terms had **You** made a fair presentation of the risk, **We** may:

- (a) proportionately reduce the amount payable in respect of a claim; and/or
- (b) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** made a fair presentation of the risk.

General Conditions

continued

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **Your** cover, depending on when **You** failed to make a fair presentation of the risk.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** made a fair presentation of the risk. For example, if the premium which **You** actually paid is 70% of the premium **We** would have charged, **We** will only pay 70% of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **We** will not rely on this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **You** on their behalf) makes a careless misrepresentation, in which case **We** may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

9. Other interests

The interests of third parties which **You** are required to include on this policy under the terms of any mortgage, property lease or hiring leasing or hire purchase agreement are automatically deemed to be covered subject to **You** advising **Us** at the time of notification of any claim.

10. Reasonable Precautions

You must:

- (a) take all reasonable precautions to prevent or minimise **Damage**, accident or **Bodily Injury**
- (b) maintain the **Premises**, machinery equipment and furnishings in a good state of repair
- (c) exercise due care in the selection and supervision of **Employees**
- (d) comply with all relevant statutory requirements, manufacturers' recommendations and other regulations relating to the use, inspection and safety of property and the safety of persons.

11. Reinstatement of Sum Insured

We will in the event of **Damage** under this policy automatically reinstate the sum insured unless there is written notice by **Us** to the contrary, provided that:

- (a) **You** undertake to pay the appropriate additional premium
- (b) **You** immediately implement any recommendations **We** make to prevent further **Damage** and effect all repair or replacement work without delay.

12. Sanctions

We shall not provide cover or be liable to provide indemnity or pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **Us** or any member of **Our** group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country.

13. Security

It is a condition precedent to **Our** liability for any claim resulting from fire, theft or malicious damage, that **You** must at all times ensure that:

- (a) security devices are put into full and effective operation whenever the **Premises** are closed for **Business** or left unattended
