

# EXTRA COVER INSURANCE

## Personal Accident

The cover provides benefits to club members, players, umpires and scorers for accidental bodily injury whilst engaging in official club activities.

For example, if a player is injured in a cricket match and is unable to work due to the injury sustained while playing for the cricket club, our Personal Accident Gold Cover can provide up to £250 per week for adults up to a maximum of 104 weeks.

Our cover will also offer your club members protection when attending organised coaching or net sessions, even away from the cricket club, such as pre-season nets at a local sports hall, including the direct travel to and from any match or practice session.

Grounds maintenance staff and volunteers are covered when helping to prepare the cricket pitch and playing areas, those who prepare and serve refreshments, and for members responsible for the carriage of club money, we offer cover against assault.

There are two levels of cover available, our **Standard** and our **Gold** cover.
